GREAT WESTERN TENDERS

Most GWR tender locomotives changed their tenders many times during their lives, some as many as twenty times !

Considerable research has been done over the past few years in order to identify the correct tender numberplates

to include in your orders , and I am indebted to my old friend, the Late Bill Peto for his help in this respect.

IT IS THEREFORE VITAL THAT YOU TELL ME WHICH TYPE OF TENDER YOU HAVE FOR YOUR MODEL, and the approximate YEAR in which you are modelling your loco.

TITLED TRAIN HEADBOARDS £8 or any 3 for £18; or 5 for £25

These are the Boards with Gill Sans lettering introduced by the newly formed British Railways from c. 1948 .

They are NOT the later designs with City crests and cream painted backgrounds.

These boards, with their raised beading and Gill Sans lettering, came in a number of standard shapes and sizes, and with different sizes of lettering, resulted in a fascinating variety of Headboards. They are not supplied painted, as they appeared in regional colours as well as standard black. The NRM was particularly helpful back in the mid-1990s, when their huge collection was not on public display but in a warehouse on the other side of the City.
