**GREAT WESTERN TENDERS**

**Most GWR tender locomotives changed their tenders many times during their lives, some as many as twenty times !**

**Considerable research has been done over the past few years in order to identify the correct tender numberplates to include in your orders , and I am indebted to my old friend, the Late Bill Peto for his help in this respect.**

**IT IS THEREFORE VITAL THAT YOU TELL ME WHICH TYPE OF TENDER YOU HAVE FOR YOUR MODEL, and the approximate YEAR in which you are modelling your loco.**

**TITLED TRAIN HEADBOARDS £7 or any 3 for £18; or 5 for £25**

**These are the Boards with Gill Sans lettering introduced by the newly formed British Railways from c. 1948 .**

**They are NOT the later designs with City crests and cream painted backgrounds.**

**These boards, with their raised beading and Gill Sans lettering, came in a number of standard shapes and sizes, and with different sizes of lettering, resulted in a fascinating variety of Headboards. They are not supplied painted, as they appeared in regional colours as well as standard black.**

**The NRM was particularly helpful back in the mid-1990s, when their huge collection was not on public display but in a warehouse on the other side of the City.**
